True Con

Need a hot young thing to get your juices flowing? Sarah from Gillingham certainly does...

Despite my age I still adore the sort of hard, raw, spontaneous sex where two people look at each other and just rip one another's clothes off. I am married and have three kids, and as I'm still only 32 and attractive, I have a bit of a reputation in the neighbourhood as a "yummy mummy". Fuck knows, I wasn't given boobs like this to hide them away under an apron, while doing the bloody washing up. Cheating on my hubby doesn't exactly make me feel good about myself, but it doesn't make me feel guilty either. As well as making love twice a week with the man I love, I want to be spread wide and fucked vigorously by a buff young bloke with raging hormones, who can inject that all-important animal passion into proceedings.

"His breath was coming in sharp gasps and I knew that if I carried on he was going to blow his spunk in my mouth"

I often score when I go to clubs and bars with friends, but occasionally I get really lucky and a slice of heaven simply walks up to my door. Well, at least that's what happened with Bobby, one of my son's mates and a near neighbour of ours. Bobby's at university and in the holidays he makes a few quid in the area doing odd jobs, such as gardening and the like. For the past year or so, I have watched him grow, changing from a skinny shy youth into a muscular, fit and confident young man.

I decided that I was going to seduce him, so I asked him to come round and help me de-clutter the house.

I had actually ordered a skip, so the reason was perfectly genuine, and the next day Bobby turned up to make a start; bedrooms first, naturally.

We worked alongside one another for a good hour before I caught him sneaking peeks down my cleavage. I smiled encouragingly at him, and when he didn't look away, I popped the top two buttons to give him a better view of my gigantic, pert boobs.

Bobby's face was a picture, and when I opened my blouse and unhooked my bra all he could do was gawp at my chest. He started to say my name, calling me 'Mrs' but I shushed him. Taking his hands, I placed them on my tits and told him to enjoy himself. As he fondled my boobs my clit tingled, and, a minute or two later, we rolled onto the bed and I helped him undress, well tore his clothes off!

Being young and obviously really horny for me, Bobby was keen to get his cock into my pussy straight away. I'm usually well up for this, but when I saw his big cock standing out proudly, I wanted to taste it first.

Quickly reversing our positions so that I was on top of him, I took his thick young shaft in both my hands and went down on him. I could hear him gasp as I licked his swollen helmet, and his already

fessions!

throbbing boner grew even bigger in my hands as I lavished it with my attentions. Licking up his pre-come, I teased his bell-end with my tongue before sucking down as much of his meat as I could fit in my mouth. I always get such a buzz from sucking cock, and from the grunts Bobby was making he had never had a blow-job quite like the one I was giving him.

I didn't want to rush things, so I took my time enjoying the feeling of having a thick cock touching off the back of my throat and looking up at him, maintaining plenty of eye contact, which I've noticed drives men wild no matter what age they are. Young Bobby looked back at me, obviously completely loving what I was doing. His breath was coming in sharp gasps and I knew that if I carried on he was going to blow his spunk in my mouth, and, while it was fun sucking him, it was no way as good as having a big, young cock in my pussy. I need to be satisfied too, after all. So I popped him out, and, taking his shaft in my hand, I wanked it slowly. Soon he was smiling again and I asked him to lick my pussy. Bobby was down there between my thighs in a flash, lapping at my slit enthusiastically.

With the refreshing urgency of youth, he pulled my pussy lips apart and he dived in, licking, sucking and nibbling at my puffed-up labia. I loved how frenzied he was, and as he ate my pussy I tugged and toyed with my throbbing, hard nipples, making them tingle even more. I could feel my juices trickling out as he pushed his tongue deep inside my aching slit. Then my pussy began to spasm and my back arched with pleasure as I felt his teeth massaging my clit and I came hard on his mouth.

Breathless from my climax, I took some deep breaths while Bobby dutifully slurped down my juices.

When he came up for air with a broad grin on his face, I thanked him for his efforts, cheekily winking at him to keep the mood light – because you don't want your son's friend to fall in love with you, trust me. It was finally time to let the boy fuck some yummy mummy pussy.

Bobby was definitely ready, his hard prick jerking around as he climbed on top of me. Pushing my legs wide apart with his knees, he took his weight on his muscular arms and pressed his cockhead against my pussy.

Once he had his dick lodged against my wet slit, he thrust forward, sliding easily inside my juicy hole. With both hands I gripped his shoulders, wrapping my legs around his waist and flexing them around his hips and arse until his full length was buried deep inside me.

My pussy throbbed and contracted around his thick shaft as he fucked me hard, pulling his cock right back each time before slamming it back inside. I held on to him tightly as he pounded my pussy with the enthusiasm of youth. I was getting what I wanted and it wasn't long before I threw back my head, moaning with pleasure as another powerful orgasm ripped through my body.

Bobby was unstoppable. He gripped my hips and carried on powering his cock into my dripping fanny. I was so completely turned-on that I climaxed yet again, with this time Bobby groaning as he emptied his balls inside me, pumping his warm spunk deep inside my come-drenched fanny.

It was such an incredible fuck from such an inexperienced guy, and I dread to think how good he'll be in the sack when he really knows what he's doing. Lads being lads, I've made him promise not to tell anyone about what we got up to, and if he keeps his promise then I've said I'll reward him with a fuck – or if he's really lucky, a tit-wank – every now and again. Something tells me he'll definitely keep schtum!

Laura, Pontefract

ASHLEIGH

We were surprised when we saw Ashleigh's pictures, for no other reason than the size of the hottie's nipples! Boobs like that are just crying out to be sucked on hard and nibbled a bit! We did drag our eyes away from the delicious tits to check out the rest of her, but we were just drawn back to those huge nips again! Oh, what we'd give for just a taste!

MARIA

Bristolian Maria doesn't see the point of being monogamous. "After I split up with my ex, I couldn't be bothered staying with just one person – I'm too horny! I've got five guys on the go at the moment. They're all different, but they do all have huge cocks! What would be the point otherwise?" she laughs. "I'm not getting any younger, so I might as well have fun while I can!" Quite right too...

Blonde bombshell Helen loves being tied down, to an extent. "I love having the security of my hubby and kids, but it doesn't stop me having my bits on the side!" she confides in us. "I'm too young to stick to just one guy! I love getting tarted up, going out with my girlfriends, and snogging as many fit young lads as I can! It's the best fun! And it keeps my relationship fresh, as I go back and tell him all the horny details!" Good for you, love!

Yes, we know that Taylor and Michelle are at the younger end of the MILF spectrum, but as they're lezzing it up, we didn't think you'd mind! Taylor certainly didn't mind working with Michelle. "I fancied her as soon as I saw her!" She tells us, "She reminds me of a young Martine McCutcheon, except fitter, and I'd love to lick her out!" Well, thanks for your honesty, Taylor! "Well I would! So I can't wait to get my hands and tongue, on Michelle!"

Raunchy redhead Holly apparently always wanted to be a teacher, so it made perfect sense to do this themed shoot. I had a crush on a teacher at secondary school. She was fit as fuck, with huge tits that would strain against the material of her blouse. I spent many geography lessons willling those little buttons to give way and pop. But luckily, we don't have to dream with Holly, as she was out of her clothes before we had a chance to think about anything!

Busty blonde Heidi works as a secretary at an estate agents, which we initially thought would be a bit dull. Not so, says the sexy mama, who insists it's one big laugh. "We get up to all sorts!" She confides, "We have regular office parties, and photocopying our tits and bums is the tamest thing we get up to! Let's just say there's only two colleagues that I haven't fucked yet, but I'm working on getting a full house!"

After meeting Carrie for the first time, we were so smitten, we were determined to get her into the magazine. It took a couple of months of us begging and pleading but she finally relented, and you're now looking at the results! We think you'll agree this leggy lovely was certainly worth the wait! We just wonder how much grovelling it will take for her to agree to do the next shoot!

Rhyse Ri

She's a bubbly Florida fuckstress who's fucking up a storm with her stepsister Rhylee by her side. And if she's really happy to live on just cum, we're sure you guys wouldn't mind feeding her plenty...

5'3"
110 POUNDS

Tampa, Florida

How did you get into the adult industry?
I got into the industry on a dare. How silly is that? Rhylee (her fellow porn star and stepsister) dared me to do it so, yeah, here we are. P.S. I won the dare!

What was your first scene like?
Oh my God... it was *Brazzers' Big Tits at Work* with TJ Cummings. I was so nervous but it ended up hot and sexy. We were in Vegas in the summer so it was sticky and sweaty and we were sliding all over. It was definitely one of my favorite scenes.

Any other favorites?
Cougars 2 from Anabolic. Definitely. It was Rhylee and I, Tony T and John Strong, in a crazy hot scene! There was something to grab on to suck or lick in every direction. I think they actually called cut 2 or 3 times before I noticed!

Do you get off easily?
No. It depends. If I am getting fucked by a guy, I like it doggie style so I can still rub my clit. Standing doggie's my favorite. But with a girl I like to be the dominating one. Fucking her and choking her while sitting on her face usually works, if you know what I mean...

Do you still like to masturbate?
Yes, and I do frequently! I love to masturbate on trips in the car when everyone is sleeping! I love sex toys and my favourite of all is my glass vibrator.

Had you been with girls in your private life before getting into the business?
Yes, many times! The first girl I ever dated was on my cheerleading squad. I kept staring at her during practice and watching her huge, over-developed breasts bouncing up and down. I couldn't believe how much it turned me on. Later, when she tried to kiss me in the locker room, I closed my eyes and just let her have her way. It was awesome and addicting. Since then I have had many, many girlfriends. I love girls.

Who do you think gives better head – men or women?

chards...

I think I would say men, but I'm sure we give them some strong competition!

Does size matter?
Yes, but it matters because I don't like the crazy huge ones. I am a small girl so 7 or 8 inches is good enough for me. Still, if a guy has a smaller dick but really knows how to use it, I am open to that – especially if he is cute, can eat pussy well and spends a lot of time going down on me. Sometimes you have to make exceptions!

What turns you on and excites you?
I'm a voyeur, so watching is so hot in my book. I used to go running in the park when I lived in North Carolina. One day, I saw this couple having sex over a picnic table right in the middle of the park! I froze right in my tracks and couldn't move until they were done. They were just so into each other. Later, when I got home, I fantasized about them while I masturbated. My panties were ruined but ever since then I have totally gotten off watching other people. I always imagine that they will end up dragging me into the hot sex action with them...

Any turn-offs?
I am really turned off by arrogant guys, who think they are all that. I like the guys who want to take care of me first. I also find guys who think they are prettier than me and spend all their time looking in the mirror to be a HUGE turn off.

Do you prefer scenes with people you've worked with before or new talent?
Actually, at this point, I really prefer to work with people who I have worked with already. There is a comfort level working with people you know that allows me to just let go and go for it. All my inhibitions just melt away, and I think it's better like that. Some of my favourite guys are Tommy Gunn, Alan Stafford, and Brad Armstrong and favourite girls are Puma Swede and Eva Angelina.

Is there anyone you'd like to work with that you haven't had yet?
Jesse Jane and Evan Stone, together or one at a time. Doesn't matter to me, I want them both!

Is there a particular type of guy that appeals to you?
Southern guys who get their hands dirty, ride motorcycles, can shoot a gun, and most importantly still take care of their woman!

What's your favourite nasty act?
You would never guess, but I would have to say that it would be cum swap-

Rhyse Ri

ping. I never did it before I got into porn, but once I tried it, I totally loved it. It's so dirty.

Do you enjoy working in groups?
Yes, I really do! I have only been with four at once so far, in *Cougars 2*, but I would be willing to raise that up considerably if the situation was right.

How many cocks can you handle at once?
I would have to say I top out at three. I have only been with two guys in a scene, but once at a swingers' party in Florida I did get to be with three guys at the same time. It was exhilarating. I grew up a nerd and never dreamed that three guys would want me at the same time. It was such a rush having them all take turns on me. I will never forget it...

Do you have a special blowjob style?
Well, I don't really think I have a special way, I just love to suck cock so I figure it changes with each one! I think it's what I'm best at and I go with what the guy likes, whatever does it for him works for me. I try to just relax my throat and take it as far back as I can. I've learned to hold my breath for long periods of time and that helps. There is nothing like the sounds a guy makes when you're really good at sucking cock, or the feeling of being able to get someone to unload in your mouth. Now that is hot. I also like to take that load in my mouth and on my tits, I like to watch it slide between my cleavage.

Do you honestly like the taste of cum?
I love the taste of cum. I crave it. I especially like it when a guy has a clean diet or eats a lot of pineapple because it makes his cum super sweet. I could practically live on cum!

If you were producing your own movie, who would you choose for your fantasy cast?
Jesse Jane, Dyanna Lauren, Janine, Evan Stone, Randy West, and Billy Glide. The cream of the crop.

Have you had sex in any unusual places?
The first thing that comes to mind is the time that I had sex on an airplane, but a close second would be the time I had sex in a bathroom at a football game. I was with a group of friends, nearly forty of us, and we went to a Florida State game. There was this really cute guy in our group and we started flirting, he was someone I didn't know. I could tell he really wanted me, but he was there with his frumpy girlfriend, so when I went to the bathroom I let him know he should follow me. We didn't know where to go and I wanted him so bad. Eventually I said 'fuck it', took him by the hand and we marched into the men's room in front of everyone! I took him into one of the large stalls and practically ripped his pants off and the whole time we were fucking I could hear other guys coming in and out of the bathroom. Guys were shouting and cheering us on! It was awesome. After we were done we went back to our seats and I ignored him for the rest of the game. His girlfriend kept asking him what was wrong and why he had lipstick on his jeans. It was pretty funny. Another time, I

ichards...

met this really hot construction worker at a gas station so we went on a quick ride in his truck and had crazy, spontaneous sex. I wonder if he still thinks of it. I still masturbate about that guy.

What type of sex scene do you prefer, soft and sensual or rough and hard?
I like it rough and hard.

What's the most sensitive part of your body?
That would be my nipples. Whenever I get excited, my nipples get rock hard and amazingly sensitive. I love it when a guy teases my nipples with his tongue or nips at them with his teeth while he is fucking me. It can be just the thing I need to push me over the edge into a super hard orgasm!

Do you think there's any class you'd need to take in the 'school for sex'?
I would need a teacher for anal because I haven't done it yet, but I could teach a class in eating pussy!

Is there anything you can tell us about yourself that isn't common knowledge and would surprise us?
I love to shoot guns and ride dirt bikes. I love hiking and being outside. I also love spending time with animals.

What do you think makes one of your movies special?
I love filming and I love knowing there is someone at home stroking their cock or fucking their wife to me! That is what gets me ready for my scenes and I think it makes my scenes better.

How can your fans get in touch with you?
They can reach us at www.myspace.com/rhyse_rhylee or www.ourxxxclubhouse.com, which is our site with Eva Angelina. Come visit, check out where we are going to be from our feature dance schedule, which we have just started doing, and come to see us! I can't wait to make more movies for all our fans and hopefully meet them in some of the clubs we will be featuring in soon!

True Con

Sometimes all a woman needs is a younger man. Just ask Jaqueline from Seaford...

I'm Jacqueline, a mother and a housewife. Even though I'm 36, I've maintained a good figure, even if it is a little fuller and more curvaceous than it was in my early twenties, when I met my husband John. Thankfully, however, as I'm very active and inclined to be flirtatious and playful to outright sexual. But it did, and once we had turned that corner and I realised that this young hunk fancied me, I made up my mind to give it a go and see if he lived up to my expectations. Derek is fairly muscular and very handsome. He's got a very sunny disposi-

"I moaned softly as I felt his huge young manhood stretching my convulsing pussy"

even a cocktease sometimes, I can still turn heads any time I put my mind to it, and I often use my charm and my physical assets to get lots of male attention. My kids are still at school, and while my hubby and I are very much in love, we do have an open marriage, and we often share details of our sexy conquests during our own intimate moments together. John and I usually pick our outside partners from one of the swinging groups which we have joined, and over the past years this has worked very well for us. Although once in a while we meet someone we fancy and then we just wing it, enjoying the moment and then surprising our partner by relating the tale to them later in the day.

This is what happened when I met young Derek last Friday while doing the school run and invited him home with me for a little bedroom fun. Derek is a student who lodges with a neighbour just a few houses down from us. He's a friendly young man and sometimes he bums a lift into town with me when I drop the kids off to school.

For weeks we had been getting friendlier, and I had got so used to teasing and joking with him that I don't actually remember when the conversation went from tion but he likes to try to control every situation, which is a trait I found rather amusing in one so young. Once I made the first real move and turned the car into my own driveway, he became quite cocky, cheekily asking me if I wanted him to fuck me on the kitchen floor, in the living room, or upstairs in the bedroom. Torn between giggling and not wanting the situation to get too much out of hand, I told him that I would only consent to us having sex if we did it upstairs, in the comfort of my bed. As with all young people, Derek didn't want to waste much time on foreplay, and once we got to the bedroom we just stripped off and we fell onto the bed together. I was already hot and very wet for him, and became more so when I saw just how well hung he was. His balls were tight and fairly large, but his cock was the best one I had seen in a good few months, and I had seen quite a few! Long thick and with a clit pleasing curve, it stood upright, perfectly firm and erect. He did not even make much pretence of affection, just giving me a cursory kiss on the lips before moving quickly between my legs and positioning himself to enter my soaking pussy. I offered absolutely no resistance, even though I wondered for a moment if he was just too big for me. But big and hard as he was, my pussy lips parted easily and he managed to slide it gently but determinedly inside my juiced-up slot.

I moaned softly as I felt his huge young manhood stretching my convulsing pussy, then relaxed completely as he thrust his way balls-deep inside me. Once he was fully there, he ground into me, making my fanny muscles spasm as he plunged back and forth, pumping his fat cock in and out of my soaking pussy.

I wrapped my arms around his upper body, feeling his muscles ripple as he began to fuck me even more vigorously. His hands grabbed at my tits, squeezing and kneading them as he kept moving in and out of me, and when he pulled roughly on my nipples my back arched and I felt him slam all the way inside of me. My whole body quivered with the intensity of my

first orgasm, and although I rarely come without foreplay, I was so turned on that my climax came quickly, and was long and incredibly intense.

My body bucked and I gasped, but Derek didn't even pause to let me calm down a little. Like all hormonally-driven young men he was caught up in his own desperation for pleasure and release, and he really started to put his back into it, slamming me with ever harder thrusts.

As he pushed into me roughly and deeply my excitement was so intense that I screamed his name, at the same time bracing myself for the next assault. Each pile-driving thrust sent me over the edge with shuddering orgasms that had my legs shaking and my hands clawing and gripping at his arms and his back.

Suddenly he pulled out of me and grabbed my hips. Then, in one motion, he flipped me over onto my stomach. With another quick movement he adjusted my hips, positioning my arse in the air. Forcing his cock back into my dripping wet pussy he continued fucking me with youthful vigour. I quivered, bucking back against him wildly as I felt his cock swelling inside my pussy. Both of our bodies were sweating and heaving with pleasure as we fucked like animals.

His lithe young body pounded into mine and he grinned down at me, making my tummy flip as my buttocks bounced back to meet his ferocious thrusts, which were deep, hard, and focussed. I was having the best fuck I'd had in years! I came again, then another time, even harder and louder.

Derek finally slowed down and slammed into me hard and as his cock penetrated me to the absolute hilt, I felt his teeth graze my shoulder as he gently bit my flesh. It was a love bite and barely left a mark, but my back dipped as I let myself come again, my pussy exploding with excitement and I felt my hot juices trickling down my inner thighs.

I gasped loudly, coming in waves, and just as my pussy began to relax again, he pulled out and asked me to roll onto my back. With my pussy still twitching I turned around, thinking he meant to re-enter from the front, but instead he began pumping his cock hard and fast with his fist.

My eyes widened as I realised what he intended and I smiled, then opened my mouth as wide as I could, just as he shot his thick creamy load over my mouth, cheeks, chin and eyebrows, narrowly missing my eyes.

Now, I have never allowed my husband John or any other man to do this, but the feeling of excitement that I got from receiving a full-on facial made me reconsider this. The whole thing made me feel wonderfully sluttish and submissive. I gently cupped his balls, licking and sucking the last traces of his come from his lovely young cock, caressing them and thinking with satisfaction that I had milked him of every last drop.

Unsurprisingly, I made sure that wasn't the last time I saw him, either!

Jacqueline, Seaford

"Seeing my house all nicely done out puts me in the best mood, and I guess guys pick up on that, as I pull more at this time of year than any other!" Maybe it's something to do with your stockings? True Conf

What's the best way of celebrating your 40th? Nicola from Bolton has a few ideas...

I recently had my fortieth birthday, and, even though it was 'the Big Four-Oh', I celebrated it by going out on the town with a group of friends. I've never been shy letting my hair down, enjoying myself and going out on the pull.

I broke up with my last boyfriend not long ago, so I was very single and looking for fun. I wore my new knee-high boots, my shortest mini-skirt and a clingy semi-translucent top which showed off my perky tits. We had a few drinks at our favourite pub before moving on to a local nightclub, which we'd been to a few times before.

The girls were all well in party mood too, and we got straight out on the dance floor. In minutes we were joined by a couple of guys, and I enjoyed myself flirting with them, until I saw this fit-looking young bloke looking at me from the bar. He was definitely giving me the once-over. He was probably way too young for me, but who's counting? I smiled at him and was well pleased when he strolled across the dance floor and began dancing with me. He was much taller than I am, and cocky for his age, which got my pussy tingling. I began to feel even hornier when he held me against him and I felt the large bulge in his trousers pressing into my stomach.

Grinning to myself, it crossed my mind that this could end up being a very special birthday, and I pushed against him, dropping my hands to his arse cheeks and pulling him harder against me.

During the evening I found out that his name was Andy, he lived nearby and that he was a builder.

Although it was my birthday I bought the drinks that night. I wanted him well relaxed and ready to perform for me later.

> **"His large hands squeezed my breasts, caressing and fingering my nipples"**

When it was time to go I was pleased when he asked me if he could come home with me, so I told the others I was off. That led to a good old slagging match from the girls, but luckily Andy took all the leg-pulling in good fun, as it was meant.

When we got to my flat, Andy surprised me by how calm and assertive he was. Laying me back on the large living room sofa, he carefully removed my top and bra. His large hands squeezed my breasts, caressing and fingering my nipples. It felt incredible. He had a big frame and was muscular and athletic looking. I reached for his crotch and begun to unzip him, anxious to see his cock as I remembered how big the bulge had felt when we were dancing.

I certainly wasn't disappointed when I released it from his boxers! It was large, thick and very long. I couldn't help staring at it for a while, as I'd never seen one quite like it before. I've slept with a few well-hung blokes in my time, but their cocks were pretty average compared to Andy's thick truncheon!

I wriggled out of my panties, keeping my eyes fixed on the large erection that was bobbing up and down as Andy removed the rest of his clothes.

My pussy was beginning to get really wet as I looked at Andy's huge cock. I was afraid that I wouldn't be able to take it all, but I was anxious to try it. I reached for it again, but Andy shook his head gently and asked me to lead the way to the bedroom. We got on the bed, and he spread my thighs, moved between my legs and began to suck my fanny flaps, making me moan with pleasure as he tongued my sensitive slot.

I writhed as I felt him probe between my pussy lips and I was surprised at how tender and gentle his touch was as he brought me to the edge. My other partners had fingered me and licked my pussy for a short time, but their idea of oral sex was usually just me sucking them off.

By the time Andy came up for air I was desperate to feel his thick young cock in-

side me. He rolled over onto his back and I eased astride him. Then, holding my hips in his large hands, he lowered me slowly onto his massive boner.

My pussy was soaking from the attention Andy's tongue had given it, and his cock-head slipped easily inside. Lower and lower I sank onto his thick shaft, which stretched and filled my pussy completely.

Andy held my hips firmly, supporting me while I bounced up and down enthusiastically on his prick. Before long, I felt my pussy tighten as spasms of pleasure ripped through my body, and I came really hard, my juices flooding out onto his groin.

I took a minute to recover from the longest, most intense orgasm I'd ever had. Then I climbed off his throbbing shaft, and, kneeling sideways, I began to lick his cock-head. Andy stroked my tits while I eased his dick into my mouth. It was so long and thick that I couldn't get all that much of it inside my mouth. I tried my hardest to gulp down as much of his length as possible. After a while he tired of this and shifted under me, asking if I would like to try and take it in my pussy again. I nodded enthusiastically, excited at the thought of having that monster pole back inside me.

Andy positioned me on my hands and knees and moved in behind me. I spread my legs wide and waited. He pushed his cock against my pussy, nudging it gently inside and making me gasp with pleasure as he began to ride me. He grasped my hips and sawed his cock in and out, making my pussy grip and squeeze his rock-hard tool as he fucked me faster and faster.

Before long I was coming again as he shunted his full length inside me, releasing jets of his hot spunk inside my convulsing pussy. If it wasn't for the traffic noise outside, I reckon my neighbours would've heard me screaming!

"He pushed his cock against my pussy, nudging it gently inside and making me gasp with pleasure as he began to ride me"

Andy and I are now living together, and it's just as well because I don't think I could ever be satisfied by bloke of my own age anymore. Some of my friends are shocked – or maybe I should make that jealous!

Tantalising Tanya is an instant hit here at Paul Raymond Towers. With her ample boobs and ass that's crying out to be banged, this horny cougar reminds us of MILF pornstar, Teresa May. "People tell me that a lot, actually." She laughs. "I always say, though, I've seen her movies, and I know I can fuck better than she can! She should be asking me for tips!" We'll take your word for it, Tanya – unless you wanna prove it, that is?

Sexy stunner Cindy is a real doll. At only 5' she makes us want to pick her up and put her in our pocket! When we told her this, she did say it was a tad patronising, as she is old enough to be our mum. But all we could think about while she was telling us off, was how experienced she'd be in bed, and that we bet she gives a mean blow job! Go on, just look at those luscious pink lips and tell us you're not thinking exactly the same thing...
